

Queen of the Crop!

Every year, one lucky cropper at our January event will win the position of reigning “Queen of the Crop”! Each attendee will be able to accumulate points based on their participation in theme night, p.j. party, pages complete and many other fun opportunities.

Don't let it intimidate you! Anyone can earn the title of “Queen of the Crop”! There are many perks that you will receive that day and throughout your yearly reign.

Tie-Breaker

In the event of a tie, there will be a crop-off. Each contender will be given the same pictures selected by the Divine Diva. The contenders will also be given one product from each of the participating vendors based on the theme of the pictures selected. They will have 30 minutes to scrapbook a page using the products and pictures provided. When finished, then the crop attendees will vote on the page(s) and the winner will be determined based on the attendee's votes.

Perks During the Queen's One Year Reign

In addition to the many prizes won at the event, additional perks will be:
